From the M.S., TSPCB, Lr.No.235/TSPCB/WB-CBIPMP/C/
2014-315, Dt.13-04-2015.

ORDER:

The Member Secretary, Telangana State Pollution Control Board has stated that the Government of India, through the Ministry of Environment and Forests (MoEF) is implementing a project on Capacity Building and Industrial Pollution Management Project (CBIPMP) with Financial assistance from the World Bank. As per the Project Appraisal Document (PAD), the loan (grant to the State) amount is USD 40.69 Million i.e. INR.183.10 Crores (approx) with 15% counter financing from the State. The duration of the project is from September 2010 to September 2015 (5 years). Andhra Pradesh Pollution Control Board is the Special Purpose Vehicle (SPV) for the CBIPM Project.

2. The Member Secretary, Telangana State Pollution Control Board has further stated that consequent to the bifurcation of the state, the mutually agreed bifurcation proposal of the project is communicated to the Ministry of Environment and Forests on 06.11.2014 by the Environment, Forests, Science & Technology, Government of Andhra Pradesh. During the Review mission of the World Bank on 11-11-2014, the Principal Secretary, Environment, Forests, Science & Technology, Government of Telangana requested the Task Team Leader (TTL), World Bank to consider the extension of the project duration by two more years keeping in view of the bifurcation of the State. The MoEF&CC and Department of Economic Affairs (DEA) recommended for an extension of the duration of the project by two more years and the World Bank is in the process of restructuring of the CBIPM Project including bifurcation of the project and inclusion of Telangana State.

3. The MoEF&CC, Government of India and the Task Team Leader (TTL), World Bank communicated to Telangana State Pollution Control Board to go ahead with the award of contracts for the Telangana component in order to avoid delay. The Chairman, Telangana State Pollution Control Board & Chief Secretary, Government of Telangana has given approval to go ahead in the project based on the above recommendations.
