

Public Grievances

Public Grievances Grievance cell of CBIPM Project is to redress complaints received from different sectors from the society, on the issues related to the project.

The grievance cell will function by prioritizing the issues for speedy redressal of public complaints. Public grievances are received through Letters, Phone calls and E-mails. Drop boxes are placed at strategic locations in the project area.

The grievance cell is also working in coordination with stakeholder departments i.e., TSIC, HMDA, GHMC, Irrigation departments in Rangareddy district to redress complaints received from the communities on the issues related to the project.
