Circular Memo. No. APPCB/CFO/Gen-42/2006 -2849

Dt. 18.03.2006.

Sub: CFO - Issue of Common order to the industry under Water Act, Air Act & HWM Rules - Reg.

Ref: Review meeting held in the Chambers of Member Secretary on 14.03.2006 with JCEE (CFE), JCES (HWM) & SEE (CFO).

It is decided to modify the existing practice of processing of CFO applications (under Water and Air Acts) and HW Authorisation (under HWM Rules) separately. The modified procedure of processing of CFO applications (under Water and Air Acts) and HW Authorisation (under HWM Rules) is as follows:

- 1) Synchronisation of the validity periods of consents (CFO) under Water and Air Acts and Authorisation under HWM rules. The industry shall submit CFO & HW Authorisation applications simultaneously.
 - 2) The R.O's / Z.O's/ B.O. shall process the CFO/HWA applications as per the delegation of powers and review the applications of the industries i.e., status of compliance of CFO conditions and Authorisation conditions simultaneously in the CFO committee.
 - 3) Common order to the industry under Water Act, Air Act and HWM Rules shall be issued by R.O's/ Z.O's/ B.O as per the existing delegation of powers. The Z.O's & R.O's shall communicate copies of the orders issued to the industries and also soft copies through mail to the SEE (CFO), JCES (HWM) & JCEE (Cess).
 - 4) In case of Trading units of HW/Non-ferrous metal scrap recycling industries/ Used oil re-refining industries/ Used lead acid battery recycling industries, the applications of HWA shall be forwarded to B.O. as per the circular memo. No. PCB/HWM/Gen-10/BM/2004-1809 dated. 16.12.2004. The CFO applications of these industries shall be processed as per the existing delegation of powers and a copy should be sent to the HWM Cell.
- In case of any industry, the validity period of HWA is not synchronized with validity period of CFO, the same shall be synchronised while issuing CFO renewal, by amending the validity period of existing HW Authorisation. The R.O.

Please circulate to A&E I & II and member 5)

while forwarding CFO verification report shall also give the compliance status of HW Authorisation along with validity period.

In view of the above, you are hereby directed to submit a common verification report (In duplicate) on the applications of the industry under Water Act, Air Act & HWM rules, to the Board Office i.e., One copy of the verification report along with CFO applications shall be sent to the SEE (CFO) and another copy of verification report along with HW Authorisation application to the JCES (HWM).

Further, you are directed to submit copy of verification reports (including conditions wise compliance reports on conditions stipulated in Schedule – B of CFO order / CFE conditions, in case of CFO applications submitted for the first time and compliance of HW Authorisation conditions) and also through E-mail. The verification reports should be enclosed with relevant monitoring reports and specific remarks.

You are directed to follow these instructions scrupulously with immediate effect.
