BY REGD. POST WITH ACK. DUE

Order No.RR-II-368/TSPCB/U-V/TF/2020- 2549

Date:04.03.2020

Sub : TSPCB - UH-V - M/s. Yash Fans Private Limited (Formerly M/s Yash International), Plot No. F-17, Raod No. F-10, IDA, Kukatpally, Medchal - Malkajgiri District - Water (Prevention and Control of Pollution) Amendment Act, 1988 - Air (Prevention and control of Pollution) Amendment Act, 1987 - Discharge of effluents outside the industry premises and causing Air & Water pollution in the surrounding areas - **Closure Orders - Issued - Reg.**

Ref : 1. Consent Order No: 827-RR-II/TSPCB/ZOH/TS-iPASS/CFO/2018-229 dt:04.08.2018, valid upto 30.06.2023.
2. Adverse news item appeared in Eenadu Daily on 04.02.2020 with caption "Oopiri Ukkiribikkiri"
3. Inspection of your unit by the Board officials on 04.02.2020
4. Show Cause Notice dated 04.02.2020.

1. WHEREAS, you are operating the industry located at Plot No. F-17, Raod No. F-10, IDA, Kukatpally, Medchal - Malkajgiri District and engaged in manufacture of Domestic Electric Fans.
2. WHEREAS, vide reference 1st cited, the Board issued CFO to your industry vide order dated 04.08.2018, which is valid upto 30.06.2023 stipulating certain conditions to comply including a condition that the industry shall send the process & washing effluents to CETP i.e., M/s JETL, Jeedimetla regularly for further treatment and disposal.
3. WHEREAS, vide reference 2nd cited, an adverse News item appeared in Eenadu Daily on 04.02.2020 with caption "Oopiri Ukkiribikkiri" regarding discharge of effluents outside the industry premises near Asbestos Colony, Kukatpally, Medchal-Malkajgiri District.
4. WHEREAS, vide reference 3rd cited, the Board officials inspected your industry and surroundings on 04.02.2020 and observed the following :
 - a. The industry generates wastewater in cleaning process of metal components prior to powder coating.
 - b. The industry is discharging the untreated effluents into the drain without any treatment thereby violating the Board directions / conditions.
 - c. Yellow colored effluents is oozing out of the manhole in the lane adjacent to the industry and have stagnated on the road thereby causing nuisance to the surroundings.
 - d. Effluent collection tank of the industry is full and effluents overflow marks are visible near the effluent collection tank and manhole of the industry.
 - e. The industry has not disposed effluents to M/s JETL, Jeedimetla for treatment as per the conditions of the Board since October 2019, thereby discharging illegally into the drain.
 - f. The Board officials also collected the LTDS sample from the above ground level (AGL) collection tank of the industry and sample from stagnated pool of water in the lane adjacent to the industry. The analysis reports of the sample collected indicate the following :

LTDS sample collected from the above ground level collection tank.

Parameter	Unit	Result
pH	-	8.1
Total Suspended Solids	mg/L	125
Total Dissolved Solids (TDS)	mg/L	11,556

Chemical Oxygen Demand	mg/L	1,056
BOD 3 at 27°C	mg/L	253
Oil & Grease	mg/L	1.2

Stagnated water sample collected adjacent lane of the industry

Parameter	Unit	Result
pH	-	8.62
Total Suspended Solids	mg/L	322
Total Dissolved Solids (TDS)	mg/L	2,511
Chemical Oxygen Demand	mg/L	738
BOD 3 at 27°C	mg/L	129
Oil & Grease	mg/L	4.9

5. WHEREAS, vide reference 4th cited, the Board issued a show cause notice to your unit on 04.02.2020 for non compliance of consent conditions and for discharging effluents outside the premises thereby causing ground & surface water pollution.
6. After careful consideration of material facts of the case, the Board is of the firm opinion that the industry has not disposed effluents to M/s JETL (CETP) for further treatment and disposal since October 2019 and indulged in illegal discharge of untreated effluents into drains thereby violating the CFO conditions and causing water pollution in the area. In view of likelihood of further grave injury to the environment & public health and hence, the Board hereby decided to dispense with opportunity of hearing. Under the Powers vested with the T.S. Pollution Control Board under section 33 (A) of the Water (Prevention and Control of Pollution) Amendment Act, 1988 and under section 31(A) of the Air (Prevention and Control of Pollution) Amendment Act, 1987 for the reasons stated above, the **Board hereby issues closure orders to your industry** in the interest of protecting public health and environment. You are also hereby directed to stop all industrial activities with immediate effect from the date of this order.
7. You are directed to take note that if you continue to operate your industry even after receipt of this orders, you will be liable for prosecution in the court of Metropolitan Magistrate **or** Judicial Magistrate of the first class under section 41(2) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under section 37 (1) of Air (Prevention and Control of Pollution) Amendment Act, 1987, the punishment for which includes imprisonment for a term which shall not be less than one year six months which may be extended to six years and with fine.
8. You are further directed to take note that the TSSPDCL, has been ordered to disconnect the Power Supply to your industry with immediate effect. Should you resort to run your industry by means of diesel generator **or** any mechanical device, you will be attracting prosecution under section 41(2) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under section 37 (1) of Air (Prevention and Control of Pollution) Amendment Act, 1987.
