

**MINUTES OF THE 2nd MEETING OF THE STATE LEVEL
ENVIRONMENT IMPACT ASSESSMENT AUTHORITY
(SEIAA), TELANGANA STATE
HELD ON 17.06.2015 @ 11:00 A.M.**

MINUTES OF THE 2nd MEETING OF THE STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), TELANGANA STATE, HELD ON 17.06.2015 AT TSPCB, PARYAVARAN BHAVAN, A.3, I.E., SANATHNAGAR, HYDERABAD – 500 018.

The following were present:

1.	Dr.Ch.Prasad Rao, H.No: 1-1-770/A Vishnu Residency, C-block, Flat No. 311, Gandhi Nagar, Hyderabad- 500080.	Chairman, SEIAA
2.	Dr.B.Narsaiah, Quarter No. C-07, IICT Quarters, Tarnaka, Hyderabad- 500007	Member, SEIAA
3.	Sri Mohan Chandra Pargaien, IFS, Special Secretary, EFS&T, Dept., 330 A, D Block, Telangana Secretariat, Hyderabad.	Member Secretary, SEIAA

The members present declared that there are no conflicts of interest with the projects being considered in this meeting.

The Member Secretary, SEIAA. welcomed the Chairman and the Member of SEIAA. After general introductory remarks by the Chairman, SEIAA, the Committee took up items agenda-wise and reviewed the recommendations of State Expert Appraisal Committee (SEAC). After detailed deliberations & discussions on the recommendations of the SEAC, the SEIAA recorded their decisions on case to case basis as under.

Minutes of the SEIAA meeting held on 17.06.2015.

Agenda Item: 1	1.06 Ha. Colour Granite Mine by Sri B. Sunil Kumar Reddy, Sy.No.167/A & 167/B, Odyaram (V), Gangadhara(M), Karimnagar District – Environmental Clearance - Reg.
-----------------------	--

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Agenda Item: 2	2.0 Ha. Black Granite Mine of M/s. Novel Granites Limited at Sy. No: 396/2, Redlawada Village, Nekkonda Mandal, Warangal District - Environmental Clearance - Reg.
-----------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Agenda Item: 3	1.659 Ha. Black Granite Mine of M/s Bansal Granites at Sy. No: 519/1, Penugonda Village, Kesamudram Mandal, Warangal District - Environmental Clearance - Reg.
-----------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Agenda Item: 4	2.95 Ha. Black Granite Mine of M/s Novel Granites at Sy. No: 396/2, Redlawada Village, Nekkonda Mandal, Warangal District - Environmental Clearance - Reg.
-----------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Agenda Item: 5	2.745 Ha. Colour Granite Mine of Sri B. Laxmaiah, Sy.No.283, Asifnagar Village, Karimnagar(M), Karimnagar District - Environmental Clearance - Reg.
-----------------------	--

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Minutes of the SEIAA meeting held on 17.06.2015.

Agenda Item: 6	6.0 Ha. Colour Granite Mine of M/s Venkateshwara Granites, Sy. No: 598, Vangara (V), Bheemadevarapally (M), Karimnagar District - Environmental Clearance - Reg.
--------------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Agenda Item: 7	4.0 Ha. Black Granite Mine by M/s. Sree Mohan Granites, Sy.No.152 & 182, Chinnanagaram(V), Nellikuduru(M), Warangal District - Environmental Clearance - Reg.
--------------------------	--

After detailed discussions, the SEIAA decided to refer the proposal back to the SEAC to re-examine the issue keeping in view of the nearest Reserved Forest vis-à-vis location of mine.

Agenda Item: 8	2.0 Ha. Colour Granite Mine (Expansion) of M/s. Bansal Rocks Pvt. Ltd., Sy. No. 388, Kondaparthi (V), Hanmakonda (M), Warangal District – Environmental Clearance - Reg.
--------------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Agenda Item: 9	3.330 Ha. Black Granite Mine of M/s. Bairu Harinadha Babu Granites, Sy. No. 134, Gondriyala(V), Kodad(M), Nalgonda Distict – Environmental Clearance - Reg.
--------------------------	--

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.
- In view of the vicinity of the River, the garland drain followed by siltation pond shall be established at appropriate site by the project proponent.

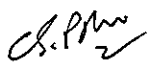

Agenda Item: 10	2.904 Ha. Colour Granite Mine of M/s. Sri B. Laxmaiah, Sy. No. 283, Asifnagar(V), Karimnagar(M), Karimnagar District - Environmental Clearance - Reg.
---------------------------	--

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Minutes of the SEIAA meeting held on 17.06.2015.

Agenda Item: 11	1.0 Ha. Colour Granite Mine of M/s. Anantha Reddy Granites, Sy. No. 452, Aravelly, H/o Suddapalli(V), Pegadapally(M), Karimnagar District - Environmental Clearance-Reg.
------------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Agenda Item: 12	1.0 Ha. Black Granite Mine of M/s. Sree Mohan Granites, Sy. No: 152 & 182, Chinnanagaram(V), Nellikuduru(M), Warangal District- Environmental Clearance - Reg.
------------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Agenda Item: 13	22.50 Ha. Colour Granite Mine of M/s. D.V.R. Granites Private Limited, Sy. No. 595, Vangara(V), Bheemadevarapally(M), Karimnagar District - Environmental Clearance - Reg.
------------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Agenda Item: 14	6.0 Ha. Laterite & White Clay Mine of M/s. Balaji Minerals & Chemicals, Sy.No.285/1, Kotmarpally(V), Marpally(M), Rangareddy District - Environmental Clearance - Reg.
------------------------	---

After detailed discussions, the SEIAA decided to refer the proposal back to the SEAC to re-examine the following issues:

1. Details of reclamation plan with specific reference to Over Burden expected from the Mine.
2. Revision of EMP duly incorporating Over Burden reclamation plan suiting to local Area.

Agenda Item: 15	2.80 Ha. Colour Granite Mine of M/s. Shiva Sai Granites, Sy. No. 294 & 300, Saravapur & Balavanthapur (V), Malyal (M), Karimnagar District - Environmental Clearance - Reg.
------------------------	--

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.

Agenda Item: 16	12.22 Ha. Laterite Mine of Sri G.Srinath Goud, Sy. No. 163, Madireddypally (V), Nawabpet (M) Ranga Reddy District - Environmental Clearance - Reg.
------------------------	---

After detailed discussions, the SEIAA decided to refer the proposal back to the SEAC to re-examine the following issues:

1. Details of reclamation plan with specific reference to Over Burden expected from the Mine.
2. Revision of EMP duly incorporating Over Burden reclamation plan suiting to local Area.

Minutes of the SEIAA meeting held on 17.06.2015.

Agenda Item: 27	Special Economic Zone (SEZ) for Aerospace and Precision Engineering by M/s. Telangana State Industrial Infrastructure Corporation Ltd., TSIIC Ltd., Sy.Nos. 656A, 656AA, Adibatla (V), Ibrahimpatnam (Tehsil), Ranga Reddy District- Environmental Clearance -Reg.
------------------------	---

After detailed discussions, the SEIAA decided to refer the proposal back to the SEAC to re-examine the issue of Amendment with reference to much delayed request of the proponent and justification of the proponent in the subject matter.

Agenda Item: 28	22.160 Ha. Ordinary Sand Mine, Rampur Sand Reach by M/s. Telangana State Mineral Development Corporation Ltd., Rampur (V), Eturnagaram (M) , Warangal District - Environmental Clearance - Reg.
------------------------	--

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- The depth of sand mining shall not exceed 1m and the excavation of sand shall not exceed 10,000 m³/annum/Ha.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.
- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.

Agenda Item: 29	21.637 Ha. Ordinary Sand Mine, Ramannagudem Sand Reach by M/s. Telangana State Mineral Development Corporation Ltd., of Ramannagudem (V), Eturnagaram (M), Warangal District- Environmental Clearance - Reg.
------------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- The depth of sand mining shall not exceed 2m and the excavation of sand shall not exceed 20,000 m³/annum/Ha.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.
- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.

Agenda Item: 30	24.50 Ha. Ordinary Sand Mine, Kondapuram Sand Reach by M/s. Telangana State Mineral Development Corporation Ltd., Kondapuram (V), Venkatarampuram (M), Khammam District - Environmental Clearance - Reg.
------------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- The depth of sand mining shall not exceed 1m and the excavation of sand shall not exceed 10,000 m³/annum/Ha.
- The proponent shall comply with any other conditions stipulated by the Dept. of Mines & Geology, Govt. of Telangana and other concerned statutory Authority / Department.
- While taking afforestation activity under EMP, the project proponent shall consider giving priority to indigeneous and evergreen species having more foliage / green cover to absorb dust and other particles around mining area.

Agenda Item: 31	19.76 Ha. Ordinary Sand Mine, Mogallapali Sand Reach by M/s. Telangana State Mineral Development Corporation Ltd.in, Mogallapalli (V), Cherla (M), Khammam District - Environmental Clearance - Reg.
------------------------	---

The SEIAA discussed the recommendations of the SEAC in detail and approved the above mentioned project for issue of Environmental Clearance, with the following specific conditions:

- The depth of sand mining shall not exceed 1m and the excavation of sand shall not exceed 10,000 m³/annum/Ha.
