After detailed deliberations & discussions on the recommendations of the SEAC, the SEIAA recorded their decisions on case to case basis as under.

Minutes of the SEIAA meeting held on 29.07.2015.

Agenda Item: 1	Procedure issued by MoE&F, GoI for processing EC applications involving violation of the Environment (Protection) Act, 1986 / Environment Impact Assessment (EIA) Notification, 2006 - Reg.
-----------------------	--

The issue of giving EC for the cases involving violation under E(P) Act, 1986 was discussed in detail. It is observed that a total 148 EC applications (as per list) involving violation were processed in the A.P. combined State. Out of this 72 applications (S.No.1 to 72 of the list) which were processed as per MoE&F, OM dt.16.11.2010 and for which the State Government has been already addressed to initiate legal action. However, it is noted that so far no report from State Government in proof of initiating legal action against the project proponents has been received. The authority therefore decided to send reminder to the State Government for the same.

Remaining 76 cases (S.No.73 to 148 of the list) which have been processed as per MoE&F, OMs dt.12.12.2012 & 27.06.2013 are to be now examined as under:

- a) The State Government to be reminded to initiate credible action on the violation by invoking powers under Section 19 of the Environment (Protection) Act, 1986 for taking necessary legal action under Section 15 of the Act for the period for which the violation has taken place and provide evidence of the credible action taken in the matter.
- b) It is also observed that the above 76 cases have already been processed before the issue of S.O.No.637 & 638, dt.28.02.2014, the SEIAA shall exercise its delegated power vested under section 5 of E(P) Act, 1986 only for the cases received after 28.02.2014.

The SEAC while forwarding their recommendations pertaining to these cases shall examine the repetition of violation (Construction, enhanced production beyond capacity and modernization of existing projects) duly taking the time period from the date of undertaking given by the project proponent at the time of violation to the current date with appropriate evidence, along with other relevant issues.
