BY REGD. POST WITH ACK. DUE

Order No.GEN-Pyrolysis/TSPCB/U-V/TF/2019- 25

Dt:30.03.2020

**Sub :** TSPCB - M/s. Harika Pyro-Products, Plot No.12 (Site-A), Industrial Park, Rampur (V), Dharmasagar (M), Warangal District - Water (Prevention and Control of Pollution) Amendment Act, 1988 - Air (Prevention and control of Pollution) Amendment Act, 1987 - Industry's representation for revocation of closure order - **REVOCATION OF CLOSURE ORDER - Issued** - Reg.

**Ref :** 1. CFO Order No. 182-WGL/TSPCB/ZOH/CFO-AR/2016-675 Dated 26.07.2016  
2. Telangana Renewal Green Energy Welfare Association letter dated 26.04.2018.  
3. CFO ammendment order No. 182-WGL/TSPCB/ZOH/CFO/2018 Dated 16.05.2018  
4. Hon'ble NGT order dt.09.05.2018, 18.05.2018 & 29.05.2018.  
5. Hon'ble NGT, New Delhi order dt.14.08.2018 w.r.t Original Application Nos. 224 to 228 of 2018 (5 Nos.); 259 to 275 of 2018 (17 Nos.); 285 to 298 of 2018 (14 Nos.) and 383 of 2018 of tyre pyrolysis units.  
6. Hon'ble NGT, New Delhi order dt.23.10.2018 in OA No.723 of 2018.  
7. CPCB, New Delhi letter dated:28.05.2019 forwarding the Hon'ble NGT Order dt:25.04.2019 in OA No.400 of 2019.  
8. Order No.GEN-Pyrolysis/TSPCB/U-I/TF/2019-825, Dt: 05.07.2019.  
9. Order No.GEN-Pyrolysis/TSPCB/U-I/TF/2019, Dt: 30.09.2019.  
10. Inspection of your industry by the Board officials on 27.11.2019.  
11. CPCB Lr.No.B29016/1(NGT)/19/MM-III Division, dt.04.12.2019 issuing directions U/s 5 of E(P) Act, 1986.  
12. Closure Order No. GEN-Pyrolysis/TSPCB/U-V/TF/2019-2175, Dt:09.01.2020.  
13. Industry's representation dated:29.02.2020.  
14. Inspection of the industry by the Board Officials on 29.02.2020.  
\*\*\*\*\*

1. **WHEREAS**, you are operating the industry located at Plot No. 12(Site-A), Industrial Park, Rampur(V), Dharmasagar(M), Warangal District and is a tyre pyrolysis plant engaged in production of Furnace Oil (from Tyre Pyrolysis Oil), Carbon Black & Steel Wire.

2. **WHEREAS**, the Board issued CFO to the unit vide order dated 26.07.2016 valid upto 31.08.2021 for production of Tyre Pyrolysis Oil - 4.5 KLD, Carbon Black - 3.0 TPD, Steel Wire- 1.5 TPD

3. **WHEREAS**, the Telangana Renewal Green Energy Welfare Association, Venkateshwara Nagar, Chintal Circle, Ranagreddy District vide their letter dated 26.04.2018 submitted a representation for deferment of the compliance of the Amendment of CFO Orders in respect of implementation of SOPs for Tyre Pyrolysis Units as the matter is Sub Justice before Honourable National Green Tribunal, Principal Bench, New Delhi in O.A No.723 of 2017.

4. **WHEREAS**, the Board has issued ammendment to CFO & HWA Order vide Order No. 132-WGL/TSPCB/ZOH/2018-355 dated :16.05.2018 to the industry for implementation of SOPs specified for tyre pyrolysis units issued by MoEF & CC by 25.05.2018

5. **WHEREAS**, 36 Pyrolysis industries operating the state have filed OAs before the Hon'ble NGT, New Delhi in three batches against the CFO&HWA Amendment Orders issued by the Board for implementation of the SOPs.

6. **WHEREAS**, the Hon'ble NGT passed interim orders on 09.05.2018, stating the following and posted the batch of cases for hearing on 29.05.2018:

" ... there shall be interim order of stay to the direction issued by the Telangana Pollution Control Board subject to further orders that may be passed at the same time we direct the Industry to take all required steps as may be necessary for compliance subject to further order that may be passed in Original Application No. 723 of 2018..."

7. **WHEREAS**, the Hon'ble NGT, New Delhi has disposed all the batch cases vide order dt.14.08.2018 with following order:

"In view of the above, as the impugned order dated 20<sup>th</sup> February, 2018 is consequential to the order passed by MoEF & CC is nor the subject matter of this Application and a separate proceeding are being contemplated by the Applicant against the basic order passed by MoEF. **We do not find any just reason to interfere in the order under challenge.**

Consequently, all the above Original Applications stand disposed of, without any order as to cost".

8. WHEREAS, the Hon'ble NGT, New Delhi vide order dated 23.10.2018 disposed O.A. No. 723 of 2017 with the following order:

This original application has been filed by the applicant with the following prayers:-

1. Direct the Respondent Authorities to take appropriate legal action against all illegal Tyre Pyrolysis Oil Plants (TPOs) being operating without prior environment clearance, consents to operate under Water & Air Pollution Acts, industrial Registration Certificates, Factory Act License, Explosive License & GST Registration Certificates and also continuing operation in total violation of Guidelines/Standards Operating Procedures (SOPs) issued by Ministry of Environment & Forest & Climate Change, Govt. of India vide Office Memorandum F. No. 23- 61/2015-HSMD dated 24<sup>th</sup> November, 2015.
2. Direct the Respondent Authorities to immediately take necessary action for immediate closure of such Tyre Pyrolysis Oil Units those who are running without proper registration certificate, consents to operate under Air & Water Act and are also not holding other statutory license/permission/Registration Certificate.

At the outset, it is to be noted that the applicant wishes that appropriate legal action be taken against all the persons/units indulging in illegal Tyre Pyrolysis Oil Units being operated without seeking prior EC/Consent from the respective authorities. Further it has been prayed that respondent authorities be directed to take immediate necessary action for closure of such units.

It would suffice to say that this is a case which is not maintainable in face of the fact that parties against which the aforesaid reliefs have been sought have not been arrayed as party respondent in this application. In absence of impleadment of necessary parties the application itself is not maintainable. Even otherwise, it will not be appropriate for the Tribunal to proceed in this matter where the parties against whom reliefs have been sought have not been made respondents.

Besides it may be noted that it is revealed from the records that States have already taken action against such units.

Consequently, the original application no. 723 of 2017 is dismissed on account of non-joinder of the parties. There shall be no order as to cost.

9. **WHEREAS**, the CPCB, New Delhi submitted letter dated:28.05.2019 along with the orders of Hon'ble NGT, New Delhi w.r.t OA No.400/2019 Filed by Social Action for Forest & Environment (SAFE) Vs Union of India & Others stating that the Applicant approached the Hon'ble NGT, praying to Ban the Pyrolysis Industries using Scraped Tyres and producing inferior Quality of Pyrolysis Oil, Gas, Char & Solid Residue which are causing environmental damage and also emit highly carcinogenic / cancer causing pollutants.

The Hon'ble NGT, New Delhi while admitting the Application, vide order dated 25.04.2019 directed the CPCB to submit comprehensive status report of compliance of Rules on the subject and remedial measures required, within Three Months.

Accordingly, the CPCB vide letter dated:28.05.2019 requested the TSPCB to submit comprehensive reports duly including following information of all the Pyrolysis industries operating the state on or before 30.06.2019.

- Details of Pyrolysis industries using waste tyres / end of life tyres (ELTs) in the State including their consented capacity and validity of consent.
- Status of compliance of Tyre Pyrolysis Industries using waste tyres /ELTs in your state with respect to the consent conditions and also with respect to the Standard operating Procedure (SOP) issued by the MoEF&CC along with remedial measures to be taken for compliance.
- Details of Comprehensive performance assessment study of pyrolysis Industries if carried out by TSPCB.

10. **WHEREAS**, the Board officials inspected your industry during 16.11.2018, 11.03.2019 and the status was reviewed in the TF meeting held on 28.06.2019. As per the recommendations of the committee, the Board vide order dated 05.07.2019 issued closure orders to your industry.

11. **WHEREAS**, the Board vide order dated 30.09.2019 issued temporary revocation of closure orders to your industry which is valid upto 31.12.2019.

12. **WHEREAS**, the Board officials inspected your industry on 27.11.2019 and certain observations were made.

13. **WHEREAS**, the Central Pollution Control Board vide letter dated 04.12.2019 issued directions Under Section 5 of E(P) Act, 1986 to the Chairman, TSPCB to close all such pyrolysis units which are not complying as on date with Consent conditions and SOPs of MoEF&CC, GoI.

14. **WHEREAS**, subsequently CPCB held a Video Conference with all the State PCBs in the Country on 19.12.2019 and during the Video Conference all the State PCBs were instructed to take action against non complying Pyrolysis units as directed by CPCB in their earlier letter dated: 04.12.2019 with reference to the Hon'ble NGT Orders in OA No.400 of 2019.

15. **WHEREAS**, the Board issued Closure Order to your industry on 09.01.2020 for non-compliance of SOP conditions issued by MoEF & CC and Consent conditions.

16. **WHEREAS**, the industry submitted a representation to the Board on 29.02.2020 requested for revocation of closure order.

17. **WHEREAS**, the Board Officials inspected the industry on 29.02.2020 and observed the following:

S. No.	Reasons mentioned in the Closure Order dt:09.01.2020	Industry's Compliance
1.	The feed to the pyrolysis reactor should be devoid of steel. After the removal of steel wire the tyre can be put either in the form of crumbs or chips (Which can be made simply by cutting without going for the shredding process). Further the feeding arrangement of the rubber crumb to the reactor should be mechanised.	Complied. The industry has installed the machine which separates the steel from the tyres before they are fed into the reactor.
2.	The initial heating of the reactor should be done by liquid fuel or gas. The flue gas should be released to the environment through a chimney of at least 30 mts height.	The initial heating is being done by briquettes and pyro-water. The chimney of 30 metres height is installed.
3.	In order to control fugitive emissions from the reactor during operation, proper sealing should be ensured.	Complied. No leakages from the reactor were observed during the inspection.
4.	At the end of the pyrolysis process the reactor has to be cooled before the removal of carbon. During this process, the reactor should be purged with nitrogen.	Complied.
5.	The removal of carbon should be through a mechanised system and it should be ensured that no spillage takes place during the collection of the carbon in the bags	Complied. The industry is filling carbon powder into jumbo bags by using Y chute.
6.	The waste water generated in the process from condensers or any scrubbers should be properly treated in an effluent treatment plant and the sludge generated should be sent to TSDF	The waste water generated in the process is being used as a fuel for initial firing of the reactor.
7.	Oil containing water condensate should be treated in suitable ETP. Oily sludge/residues should be disposed through TSDF	Oil containing water condensate is being used as a fuel for initial firing of the reactor.

18. **WHEREAS**, after careful consideration of the material facts of the case, the Board hereby issue Revocation of Closure Orders to your industry with a directions to comply with SOPs issued by MoEF&CC, GoI and consent conditions stipulated in the CFO order.

19. **WHEREAS**, the TSSPDC., Ltd., has been directed to restore the power supply to your industry.

20. **WHEREAS**, these directions are issued under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and section 31(A) of the Air (Prevention and Control of Pollution) Amendment act, 1987.

21. **WHEREAS**, you are hereby directed to note that, should you misuse these orders to operate the unit violating any of the conditions mentioned above, your unit will be closed under section 33(A) of the Water (Prevention and Control of Pollution) Amendment Act, 1988 and section 31(A) of the Air (Prevention and Control of Pollution) Amendment Act, 1987 and you will also be liable for prosecution in the court of Metropolitan Magistrate or Judicial Magistrate of the first class under section 41(2) of the Water (Prevention and Control of Pollution) Amendment Act, 1988 and under section 37(1) of the Air (Prevention and Control of Pollution) Amendment Act, 1987 the punishment for which includes imprisonment for a term which shall not be less than one year six months and which may be extended to six years with fine.
