

## TELANGANA STATE POLLUTION CONTROL BOARD

Paryavarana Bhavan, A-3, Industrial Estate, Sanathnagar, Hyderabad – 500 018  
Ph: 040-23887500

Lr.No.972/TSPCB/LAB/CSoftware/2015

Date:31.03.2016

To

17 Category of highly polluting industries,  
CETPs and common HW & BMW incinerators.  
As per the List.

Sir,

**Sub:** TSPCB – Central Lab - Establishment of “Enviro-care centre” with common software for centralized data collection from online stack, ambient air quality monitoring systems and online water quality monitoring stations in the State – Furnishing of API document so as to get connection with TSPCB server – Reg.

\* \* \* \* \*

It is bring to your notice that, Telangana State Pollution Control Board (TSPCB) has came-up with common software and server facility for centralized data collection from online stack, ambient air quality monitoring systems and online water quality monitoring stations in the State.

The purpose of software is to facilitate that all analyzers of industries, SPCB and other organizations will be available at one place and dissemination of data to CPCB and Government of Telangana is possible.

To get connectivity, certain requirements like modem, GPRS facility, API (Application Programmable Interface) is needed. In this connection, TSPCB is circulating open API document to all the units for linking-up. The industries can get connected to TSPCB, Enviro-care Centre server with following guidelines:

1. All industries have to develop their (API) as per TSPCB protocol only. In case of difficulty, they can engage any of the consultants including supplier. TSPCB has purchased software from M/s. Ascent Intellimation Pvt. Ltd., (AIPL) and who will support to get connectivity from industries and their contact details (Mobile No.): 7702766503 & 9133377851.
2. The charges if any charged by supplier / consultant for connection shall include API document, technical guidance and certification of the API communication developed by the industry / vendor and TSPCB will not involve.
3. Industry / vendor have option to develop the API on their own.
4. Industry / vendor may also seek assistance of AIPL in developing the API communication at a nominal fees to be decided between AIPL and the industry/ vendor or any other online supplier / consultant.
5. Industries have the option of using any standard hardware for data acquisition and upload to the TSPCB server. There is no additional cost for this option.
6. Industries can procure the required hardware modem, API Document, Technical guidance from local service Provider of M/s AIPL Ltd., M/s. Sunshine Technologies, G-17, Aladdin Mansion, Begumpet, Hyderabad – 500 016. Phone: 040- 64440004 for connectivity.

7. All industries must get connected within 15 days i.e., from 1<sup>st</sup> to 15<sup>th</sup> April, 2016.

In view of the above, you are requested to get online connectivity immediately from 1<sup>st</sup> April, 2016 onwards and complete the connection job by 15<sup>th</sup> April 2016. Any clarification in this regard, industries may contact the Senior Environmental Scientist, TSPCB, Cell No. 9866776727 / Smt. Geetha Sapare, EE Unit-4 Cell No. 9177303213.

Encl: As above

Yours faithfully,
