

NOTIFICATION OF EMPANELLING ENVIRONMENTAL AUDITORS
(Hyderabad, 22nd March, 2017)

The Ministry of Environment, Forest & Climate Change, Government of India vide Notification S.O.3518(E) dt. 23.11.2016, amended the EIA Notification, 2006 for

*"Any change in production-mix, change in quantities within products or number of products in the same category for which Environmental Clearance has been granted shall be exempt from the requirement of prior environmental clearance provided that there is no change in the total capacity sanctioned in prior environmental clearance granted earlier under this notification and there is no increase in pollution load. The project proponent shall follow the procedure for obtaining **No increase in Pollution Load** certificate from the concerned State Pollution Control Board as per the provisions given in Appendix-XIII".*

As per the procedure specified, the applications have to be examined by a Technical Committee constituted for this purpose. Further, the project proponent is required to obtain a certificate of no increase in the pollution load from the Environmental Auditors and reputed institutions to be empanelled by the State Pollution Control Board. The Technical Committee will make its recommendations and based on the same and the State Pollution Control Board shall take decision with respect to the application received from the project proponent for change in the Consent to Operate for the purpose of change in product mix.

The Board vide press notification dt. 10.02.2017 released notification requiring to register as Environmental Auditors within 15 days from the date of issue of notification from the Environmental Consultants / Reputed Institutions who have obtained NABET Accreditation as allowed to prepare the Environmental Impact Assessment report and Environmental Management Plan of a project in that sector and category and to appear before the concerned Expert Appraisal Committee (EAC) or the State Expert Appraisal Committee (SEAC).
