The CPCB vide letter reference cited informed that Real Time Data of Online Continuous Effluent/Emissions Monitoring System of industries has been shifted to NIC Domain i.e., to present URLs mentioned below:

- i. <http://cpcbtdms.nic.in/cpcbIndustryRegistration/>
- ii. <http://cpcbtdms.nic.in/industry-login>

It was also stated that a Notice was also published in its Website (http://cpcb.nic.in/upload/thrust-area/Notice_OCEMS_01.03.2018.pdf) requesting all the industries to **reset password through New Registration Portal** <http://cpcbtdms.nic.in/cpcbIndustryRegistration/>

Further, during video conference of CPCB with state Boards on 21.03.2018 informed that CPCB has prepared **Compliance Reporting Protocol** for strengthening of OCEMS installed by the industries and said Protocol will collect information of OCEMS at industry for all the parameters related to emissions and effluent at each discharge point. A copy of the said Protocol is available in CPCB website at the link: http://cpcb.nic.in/upload/thrust-area/Common_Protocol_final-13.03.2018.pdf

In the protocol for Online Continuous Effluent & Emission Monitoring Systems (OCEMS), dated 13.03.2018 to the industries, the industry has to enter the details in Part-I, Part-II, Part-III & Part-IV. Information pertaining **Part-I (Sections-A,B,C,D,E) & Part-III (Section-H)** required to be submitted **Only Once** and Information pertaining to **Part-II (Sections F&G)** required to be submitted **Every Quarter on 1st January, 1st April, 1st July & 1st October**. The details of time stipulation, assistance and contact person are also available in the CPCB portal.

In view of the above, you are directed to go through the CPCB portal and reset password through new registration portal mentioned above at the earliest. You are also requested to follow the new protocol for Online Continuous Effluent & Emission Monitoring Systems (OCEMS), dated 13.03.2018.
